

025-NRFP-2025
The Provision of a Facilities Condition Assessment
for the
Bermuda Department of Corrections
ANNEX B - PRICING AND SCHEDULE OF RATES FORM

GENERAL INSTRUCTIONS

Pricing Form

Proponents shall complete and submit a Pricing Form and Schedule of Rates Form.

Additional Payments

The Schedule of Rates shall be used to administer changes/variations should they arise during the contract period. Additional payment shall be on a time basis at the rates provided.

Proponents shall list each member of their team in the schedule of rate table, adding additional rows if required.

Against each team member, provide an all inclusive hourly and daily rate. The Government expects that daily rates will be provided at a more competitive price than hourly rates.

Proponents shall provide their overhead and profit percentage. This shall be added to the hourly and/or daily rate of an approved variation.
